

A practicing N. Georgia lawyer for many years, Carol Sheppard earned her certificate in Photography in 2010 from evening attendance at N. Georgia College and State University.

Since 2010, Carol has become a published photographer and educator, in addition to managing sales of her image-based products into both private and public collections and retail stores.

Additional certifications include Advanced Photography and Critical Analysis (Judging) from the Photographic Society of America; Canon in Action Portrait Lighting; Mike Moat's Macro Boot Camp; and attendance of many other workshops and training forums. She has been a presenter for the Eastside Camera Club in the Seattle Area and the Probus Photography Club in Parkesville on Vancouver Island, as well as a Judge for the 2013 Cascade Seattle Bike Expo Photography Contest.

She has won the following awards and recognition for her photography:
